

October 9, 2026

Dear District 217 Leaders,

Congratulations on achieving an important District Club Growth Achievement milestone. Your District's success in chartering 3 new clubs by September 30, reflects focused leadership, strong collaboration, and a meaningful commitment to expanding the Toastmasters experience in the communities you serve.

Growing new clubs is one of the most effective ways to strengthen membership, advance the Toastmasters mission, and support long-term District success. By reaching this milestone, your District has created early momentum that can continue to build throughout the program year.

Clubs chartered early in the program year have additional time to establish successful practices, support members, and contribute to overall District achievement. Your accomplishment demonstrates the dedication and intentional effort of District leaders, club sponsors, mentors, and members who are helping bring the benefits of Toastmasters to more people.

We are pleased to commemorate this milestone with the attached digital certificate, and your District's achievement will be recognized on Toastmasters International social media channels and website.

Thank you for your outstanding commitment to club growth, and for working toward the District mission. We look forward to seeing the continued impact your District will make as it helps share the Toastmasters experience with even more communities around the world.

Sincerely,

Stefano S. McGhee, DTM
2026-2027 International President
Toastmasters International

Daniel Rex
Chief Executive Officer
