

DISTRICT 217 PRESENTS

Pathways Club Challenge

2026 / 2027

ONE CHALLENGE EVERY MONTH. ONE STEP CLOSER TO DISTINGUISHED.

Sign your club up for the D217 Pathways Club Challenge. The first 25 clubs to hit each month's goal earn \$10 in District Store Dollars — every club that completes a challenge earns district recognition and a certificate.

ELIGIBILITY

To participate, your club must submit its 2026–2027 Club Success Plan (CSP) by September 30th. No CSP on file, no challenge — DCP achievements aren't recognized without it.

OCTOBER'S CHALLENGE

DCP Goal 1: Complete 4 Level 1 Pathways.

Secondary option for clubs with less than 12 members: 2 Level 1 completions + 1 new member.
