

DISTRICT 217 PRESENTS

Pathways Club Challenge

2026 / 2027

What Is the Pathways Club Challenge?

A District 217 PQD initiative that breaks each club's Distinguished Club Program (DCP) Pathways work into monthly challenges, earning your club extra rewards and recognition. Complete monthly challenges and your club earns district recognition — and if you're among the first 25 clubs to do it, you get \$10 District Store Dollars.

- 1 One challenge every month**
A new DCP-aligned Pathways challenge is spotlighted each month, September through June.
- 2 Recognition for every club that reaches it**
Not just the first 25 — every qualifying club earns district recognition and a certificate.
- 3 Building toward Distinguished**
Each monthly win moves your club closer to Distinguished Club status for the year.

32-RIBBON STARTER KIT

Every enrolled club receives 10 Welcome to Toastmasters, 10 Ice Breaker, and 12 Achievement (Levels 1–4) ribbons to recognize members as they hit their own milestones.
